

**Kananaskis Country Campgrounds
Kananaskis Country, Alberta**

**SUMMER EMPLOYMENT OPPORTUNITIES:
Campground Hosts**

Kananaskis Country Campgrounds operates 35 provincial campgrounds and group camping areas throughout the valleys of Kananaskis Country, in the Rocky Mountains west of Calgary. We are seeking **retired couples** to fill summer staffing positions as campground hosts.

These are full-time summer seasonal positions requiring candidates to live in the campground, **in their own RV**. The position is ideal for couples wanting to spend the summer camping in the Rockies while remaining active and for those who like interacting with other campers and promoting enjoyment of Alberta Parks.

The major responsibilities of the position include: ensuring campers have self-registered, keeping occupancy records, selling firewood, public relations and informing campers of park regulations, and the regular cleaning of campsites and washroom facilities.

We have positions available for mid-May to mid-September or mid-June to Labour Day. A company truck and golf cart are also provided for work use. Be aware most positions are in campgrounds that do not have RV hookups. We provide propane for staff, and there are free showers, laundry facilities, and internet nearby for staff use.
