STUDENT SUMMER EMPLOYMENT OPPORTUNITIES

Kananaskis Country Campgrounds operates numerous provincial campgrounds and three camper stores, located throughout 5 valleys of Kananaskis Country, in the Rocky Mountains of Alberta. We are seeking highly motivated, hard working individuals to fill summer staffing positions. Perfect for outdoor enthusiasts wanting to spend the summer in the Rocky Mountains! Make the most out your summer by using your time off to explore the endless opportunities to hike, bike, scramble, climb, paddle, and camp in some of the most incredible terrain Alberta has to offer.

Job Responsibilities: Our store centre in Peter Lougheed Provincial Park is a busy location that houses our campers' store and popular ice cream window. This is also where we handle camper registration and information. The retail clerk would be responsible for a wide variety of duties that may include retail sales of food products and camping supplies, campground registrations, answering phone inquiries, serving scooped ice cream, providing visitors with information about the park and campgrounds, stocking shelves, cash handling, store opening and closing, store & washroom cleaning, and other duties as assigned.

Skills: We are seeking friendly and upbeat people with strong communication, time management, and customer service skills. We want our customers and guests to feel welcome and get the most out of their visit to the park. We are seeking reliable employees who can be trusted to get the job done. Experience in a retail setting or with cash handling would be an asset. Positions will involve working both independently and with others. An easy-going nature and the ability to get along with others are very important as our staff both live and work together. Successful applicants should be excited at the prospect of living and working in a mountain park setting, away from city life.

Job Type: Full-time (35-40 hrs/week), temporary summer employment
